MASTER BY COURSEWORK & MIXED-MODE

MASTER OF SCIENCE

• Master of Project Management
• Master of Science Occupational Safety and Health
• Master of Science in Technology-Integrated Language Studies (3 Sem)
• Master of Science (Process Plant Operation) (3 Sem)
• Master of Science in Mining with Mineral Technology (3 Sem)
• Master of Science (Industrial Mathematics-Mixed Mode) (3 Sem)
• Master of Mechanical Engineering (5 Sem)
• Master of Electrical Engineering (3 Sem)
• Master of Mechanical Engineering with Entrepreneurship (3 Sem)
• Master of Science in Mining with Mineral Technology (3 Sem)
• Master of Science in Technology-Integrated Language Studies (3 Sem)
• Master of Science in Manufacturing Engineering (3 Sem)
• Master of Science in Computer Engineering (3 Sem)
• Master of Science in Computer Engineering (Mixed Mode) (3 Sem)
• Master of Science in Computer Engineering - Information Security (3 Sem)
• Master of Chemical Engineering with Entrepreneurship (3 Sem)
• Master of Science (Industrial Engineering) (3 Sem)
• Master of Science (Industrial Mathematics-Mixed Mode) (3 Sem)
• Master of Science (Process Plant Operation) (3 Sem)
• Master of Project Management

MASTER OF ADMINISTRATION

• Centre for Mathematical Sciences
• Centre for Modern Languages *
• Centre for Modern Languages **
• Centre for Modern Languages ***
• Centre for English Language 

FACULTIES & CENTRE

GAMBANG

• Planning and Development Centre
• Faculty of Civil Engineering Technology
• Faculty of Chemical and Process Engineering Technology
• Faculty of Electrical and Electronic Engineering Technology
• Faculty of Mechanical and Automotive Engineering Technology
• Faculty of Manufacturing and Mechatronic Engineering Technology

PEKAN

• Faculty of Engineering
• Faculty of Electrical Engineering
• Faculty of Mechanical Engineering
• Faculty of Architecture
• Faculty of Computer Science
• Faculty of Library Science
• Faculty of Technology Management

Kuantan

• Faculty of Business Administration
• Faculty of Business Administration
• Faculty of Food Science
• Faculty of Management
• Faculty of Accounting
• Faculty of Information Technology

SCHOLARSHIP AND GRANTS

- Malaysia Autonomous Bursary (WIRA)**
- YPPR Scholarship for Postgraduate Student**
- International Scholarship (MIS)**

APPLICABLE PROGRAMMES

1. Login to portal  ipa.ump.edu.my
2. Find suitable supervisor from expert directory.
3. Click on the pre-registration and sign up name.
4. Fill in all the required information and submit button.
5. Application will be processed within ONE month.

Processed Fees
- Local Candidates – RM500.00
- International Candidates – US$300.00

RESPONSIBILITY OBEY

The applicants are required to submit the application to the Office of the Vice-Chancellor, UMP as well as the Institute of Postgraduate Studies. The application form should be submitted in person or by post to:

INSTITUTE OF POSTGRADUATE STUDIES
UNIVERSITI MALAYSIA PAHANG
Lebuhraya Tun Razak, 26300 Gambang, Kuantan, Pahang, MALAYSIA.
Tel: +609-518 1800  Fax: +609-518 1808
Email:  ups.admission@ump.edu.my

INTERNSHIP

The internship experience is compulsory for all students in the Master of Project Management Programme who are from the local candidates. The internship experience is provided by the University. The duration of the internship experience is 1 academic year (8 months).

For international candidates, they should work internships in companies or organizations in their own country. The duration of the internship experience is 1 academic year (12 months).
### Master of Philosophy

**Admission Requirement**
- Doctoral candidate must have at least one of the following:
  - IELTS Band 7.0, TOEFL IBT 100
  - MUET Band 5 or TOEFL IBT 70

**English Requirement**
- **IELTS** 6.0 or TOEFL IBT 80 (International students only)
- **IELTS** 6.0 or TOEFL IBT 70 (International students only)
- English requirement does not apply for international students with Bachelor’s and Master’s degrees from the Malaysian universities.

### Master of Science

**Admission Requirement**
- Recognised degree with a minimum of five (5) years working experience in related field.

**English Requirement**
- IELTS 6.0 or TOEFL IBT 80 (International students only)
- IELTS 6.0 or TOEFL IBT 70 (International students only)
- English requirement does not apply for international students with Bachelor’s and Master’s degrees from the Malaysian universities.

**Admission Requirement by Research Mode**

**Master of Engineering**

### Master of Mechanical Engineering

**Admission Requirement**
- Recognised degree with a minimum of five (5) years working experience in related field.

**English Requirement**
- Students must have IELTS Band 5.5 or TOEFL IBT 70. The certificate should not be more than two (2) years from the date of test taken and registration of candidature.

**Exception**
- English requirement does not apply for international students with Bachelor’s and Master’s degrees from the Malaysian universities.

### Master of Industrial Engineering

**Admission Requirement**
- Recognised degree with a minimum of five (5) years working experience in related field.

**English Requirement**
- Students must have IELTS Band 5.5 or TOEFL IBT 70. The certificate should not be more than two (2) years from the date of test taken and registration of candidature.

**Exception**
- English requirement does not apply for international students with Bachelor’s and Master’s degrees from the Malaysian universities.

### Master of Electrical Engineering

**Admission Requirement**
- Recognised degree with a minimum of five (5) years working experience in related field.

**English Requirement**
- Students must have IELTS Band 5.5 or TOEFL IBT 70. The certificate should not be more than two (2) years from the date of test taken and registration of candidature.

**Exception**
- English requirement does not apply for international students with Bachelor’s and Master’s degrees from the Malaysian universities.

### Master of Chemical Engineering with Entrepreneurship

**Admission Requirement**
- Recognised degree with a minimum of five (5) years working experience in related field.

**English Requirement**
- Students must have a good command of English equivalent to IELTS 5.0, TOEFL (IBT 50) (for international students) or MUET 4 (for local students).

### Master of Renewable Energy (MPJ-UKA GERMANY DfiW PROGRAM)

**Admission Requirement**
- Recognised degree with a minimum of five (5) years working experience in related field.

**English Requirement**
- IELTS 6.0 or TOEFL IBT 80 (International students only)
- IELTS 6.0 or TOEFL IBT 70 (International students only)
- English requirement does not apply for international students with Bachelor’s and Master’s degrees from the Malaysian universities.

### Master of Science in Technology-Integrated Language Studies

**Admission Requirement**
- A Bachelor’s degree in TESL/Linguistics/Language Studies or in any related fields with a minimum CGPA of 3.50; OR
- A Bachelor’s degree in TESL/Linguistics/Language Studies CGPA less than 3.50 and a minimum of two (2) years of experience working in related field; OR
- A Bachelor’s degree in other fields with a minimum CGPA of 3.50 and a minimum of two (2) years of experience working in related field.

**English Requirement**
- IELTS 6.0 or TOEFL IBT 80 (International students only)
- IELTS 6.0 or TOEFL IBT 70 (International students only)
- English requirement does not apply for international students with Bachelor’s and Master’s degrees from the Malaysian universities.
